We want to keep people informed and are keen to hear if there is anything else you would like to see in He Ranga Korero - drop us an email or let your Kaiwhakaaraara know.

We hope you are all doing well and smashing your goals and aspirations.

ABOUT KĀINGA WHĀNAU ORA

Kāinga Whānau Ora supports **whānau dreams & aspirations** by bringing together key agencies because we know that we can achieve **better outcomes** when we work together. Sometimes systems get in the way of whānau **achieving their goals**, we aim to stop creating 'work arounds' and create systems that **work for whānau**.

WHĀNAU SUCCESS STORY

This is Philip, 64 years of age; a brother, an uncle, a father and a koro. Philip has been with our program 'Kāinga Whānau Ora' for just over a year. Philip has achieved a few different Moemoeā during his time, his latest is with the achievement and completion as a champion with "Computers in Homes" course.

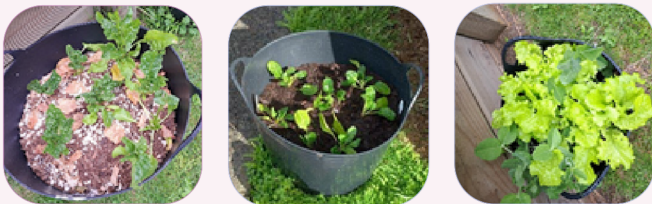

Philip is skillful and knowledgeable around different areas, particularly around farming. IT or technology has never been anything he has been keen on. The Computer in Homes Course has now added another skill that he can add to his Kete.

TE ORANGANUI - WHANGANUI

KAI SWAP

Kai Swap, provides an alternative way of gathering and sharing knowledge about maara kai and nutrition. With these tools, we can support whānau together achieving a positive impact towards their hauoranga.

Kai swap in August completed a plant drop along with flip chart recipes. This provided whānau with the opportunity to plant their own maara some whānau improvised and designed how they would do their maara with alternative things around the whare.

OPPORTUNITIES CAFE

Opportunities Café, is the opportunity for whānau to meet with our partners and to share with them their Te Ara Whānau Ora plan, within their plans it outlines the people they may need to support them in achieving their dreams and aspirations. These particular whānau members will identify which of our partners they would like to see, whanau will share with them the role they play within their Te Ara Whanau Ora plan.

Opportunities Café is run on the first Tuesday of each month our first launch was on 1st November as planned.

Whānau were very happy with the outcomes they received from our partners on this day through Opportunities Café.
